At the end of the Carnival, a return form will be sent to you with details regarding sales. If you have unsold buttons, the Foundation will send someone to pick up any extras and a credit will be issued to you. A final invoice for the total number of buttons received (*less your returns and commission*) will be sent. If the Foundation has not received a response by February 21, 2025, you will be invoiced for the total number of buttons received and not returned. If you prefer, the commissions you collect may be granted back to the Saint Paul Winter Carnival as a tax-deductible donation.
